

**ATTENTION!**

**SWAP SHOP IS CLOSED**

**EFFECTIVE MARCH 14, 2020**

With the arrival of COVID 19 in our area and more local people undergoing testing, we are concerned that due to its small facility the Swap Shop could be a venue for easy transmission of the virus from person to person.

As a result, we have decided to close the Swap Shop for 4-6 weeks, until the scope of the COVID 19 problem in our community is known. This is a case of 'social distancing' in order to keep the volunteers and the public safe. We regret the inconvenience to customers and will announce on the websites of the towns of Buckfield and Sumner when the shop will be reopened.

Please do not leave any donations outside. If you must dispose of them before the shop is reopened, please take them to Goodwill or the Salvation Army.

Thank you for your cooperation.
